## DOLLAR TREE FINDS

---

Dollar Tree is a great craft and DIY resource because all items cost a \$1 and with many of the items you can get between 2-16 items for that price, I know OMG! The retail stores charge \$2-5 per item which adds up quickly. Dollar tree makes it super affordable to make any holiday decor on a budget! Check out my YouTube channel for all the DIY projects you can make using the items I've listed below. Have fun shopping and creating some beautiful decor on a budget!
