DOLLAR TREE

DOLLAR TREE SUPPLIES

I know some may think the dollar tree is just crap but there are some really good craft supply gems that are only a \$1 vs \$3-5 at the craft stores. So I hope this helps you out and know they always bring in new items that you can makeover. That is the fun part of buying Dollar Tree crap because you can take the ugly item and use it to make something beautiful that fits your decor style! So lets get started and go shopping!
